72	A community space or in door work shop space
73	An Art Gallery
74	Major brand pizza or coffee shop
75	I think you should pull it down make the market bigger more open I'm a bit upset these questions are not more about the blue market what I would like on the stalls what shops
76	Indoor play area
77	Decent clothes shop or a better food shop like Waitrose
78	Unsure
79	open space for pub.

82	Indipendent shop or shops/or community space
83	Maybe a Range or a Primarks or something similar
84	A police station !!!!!!
85	Community space, workshops, courses, kids activities
86	Street food bars and restaurants? Board game cafe? Coffee shop? Tate Modern/White Cube offshoot gallery. Businesses that will contrast/complement the traditional nature of the rest of the Blue until it can be modernised - businesses that don't shut shutters at 5pm - the lack of later night Blue is a big factor.
87	I would like to see it as a shop that will bring people to the area Like toys shop clothes shop shoes school uniform shop things that we need on our shopping list as this is called the blue market then that's what a market is a area of clothing fruit and veg household goods

99	Cafe, local artist gallery, gathering space
100	Community space
101	multi use space with community initiatives, charities and event space
102	A youth club/ family centre. Somewhere for children to go and play during the day and youth club in the evening.
103	A local beer/drinks/food marketplace (a 21st century pub)
104	Workshops and fun things to do
105	Nando's
106	a comminity run music/comedy/arts project
107	Not sure, you don't want to compete with the local traders but you need something that will attract footfall. Perhaps something akin to the cinema in the old market square on Bermondsey Street. I would show films to bring families, have a cafe / craft beer place to bridge a gap between the pubs and a decent cafe. It could also host temp exhibitions / stores. The space would ahve to be desigend carefully to avoid it looking naff.
108	Community theatre, cinema, events space, coffee shop, maker spaces, regular craft market
109	A music venue
